FILM CLUB MOVIE PREMIER

After a year of hard work and dedication, lead by Rob Hesketh, our caretaker, members of the Matamata Intermediate School Film Club produced a short movie called 'Catastrophic Capsule' and premiered it last week in front of their families and friends. Following the movie there was an award evening called "THE FISFA's" (Matamata Intermediate School Film Awards) where Catastrophic Capsule took out all of the various awards from Best Actor to Best Film! The MIS Entertainment section of the club also took Best Entertainment Programme. A great night with thanks to all who contributed and a very big thankyou to Mr Rob for his expertise and guidance.
